## Profile Summary

---

Highly motivated Computer Science undergraduate with hands-on experience in full-stack web development. Adept at building scalable web applications using React, Node.js, and MongoDB. Strong problem-solving abilities and quick adaptability to new technologies. Eager to contribute to dynamic projects and collaborate in cross-functional teams.

## Objective

---

To obtain a Full Stack Developer position where I can utilize my skills in building modern web applications, solve real-world problems, and grow within a collaborative and fast-paced team environment.

## Education

---

<b>Sathyabama University</b> , Bachelor's of Engineering in Computer Science and Engineering (CGPA - 8.38)	2021 – 2025
<b>Sri Chaitanya Junior College</b> , Intermediate Education (Percentage - 77.6%)	2019 – 2021
<b>Bhashyam Public School</b> , High School Education (CGPA - 9.0)	Mar 2019

## Technical Skills

---

**Programming Languages:** JavaScript, Java, HTML, CSS, C++

**Frameworks/Libraries:** React.js, Express.js, Node.js

**Tools:** Git, VS Code, Eclipse

**Database:** MongoDB, MySQL (Basics)

**Concepts:** Object-Oriented Programming, Software Development Lifecycle, REST APIs

## Projects

---

### Online Matrimony Application

- Developed a full-stack matchmaking web application using React.js and Node.js with Express
- Integrated MongoDB to manage user profiles and matchmaking data
- Followed best practices for clean and modular code to ensure scalability and performance
- Completed as part of internship project at HCL Technologies

### Portfolio Website & To-Do App

- Designed and deployed responsive front-end applications using HTML, CSS, and JavaScript
- Emphasized clean UI and usability following modern web design principles

## Internship

---

**Web Development Intern**, HCL Technologies 2024

- Built front-end features using React and implemented backend logic with Express and Node.js
- Collaborated with peers in an agile environment to deliver application modules
- Managed code versions with Git and integrated MongoDB for data operations

## Involvements

---

**Eco Club Member** Nov 2021 – 2025

- Led sustainability initiatives and participated in campus-wide environmental campaigns

**Techno Summit Volunteer** Sept 2023

- Assisted in organizing and managing the annual technical summit held at Sathyabama University
